Date: Mon, 15 Apr 2013 15:41:24 +0100

Good Afternoon,

Please be advised that if the Harbour Master is content to permit MV Maree Noire to enter the Shannon Estuary, the vessel will be met by representatives of the Irish Coast Guard upon arrival at a safe anchorage. A Survey team from the MSO will also require access to the vessel to conduct a survey. We recommend that the vessel's own surveyors be present also.

In the meantime, IRCG requests a status report from the vessel's Master every two hours, commencing 1500utc today, 15th April.

Regards,

NMOC Dublin.
